

Crafty Clay

What You Will Need:

- 1 cup of cornflour
- 1 1/4 cups cold water
- 2 cups baking soda (bicarb soda)

How to Concoct it:

1. Combine cornflour and baking soda in a small saucepan.
2. Add water and stir until mixture is smooth.
3. Heat mixture for 5 mins over medium heat. Stir until it begins to thicken and turns to dough.
4. Remove dough from saucepan and allow to cool.
5. Knead dough 2-3 mins. Let finished creations air-dry until hard.

Tips/Ideas:

- Add colour to your crafty clay by mixing 7-10 drops of food colouring before cooking.
